CHAIRMAN'S LETTER

Welcome to the 13th annual Greater East Dallas Chamber's Economic Summit. This signature event continues to grow in importance and attendance every year. This year's theme is ***Entrepreneurial Spirit*** and in East Dallas that is certainly a key phrase that resonates across our business community.

We are delighted that you have chosen to join us for our premier event. We have again accumulated a stellar group of presenters and the subjects that will be covered are on point for our theme and for our robust economic climate.

We are so thankful for the many Chamber members and the committee that comes together just about every year to put on this amazing production. Without our key volunteers, board members, advisory board and our membership none of this would take place. This year the event is being chaired by three individuals that have repeatedly given of time and talent to our Chamber. Thank you to Denise Aver-Phillips, Darlene Ellison and Michael Alcantar.

But we would be remiss if we did not recognize the core group of Chamber members that are a part of the founding Economic Summit committee, several of whom have continued to serve for all 13 years. Special heartfelt thanks to the late Bulldog Cunningham, Mary Poss, Dick Clements, Vick Clesi and Susan Falvo. Your vision for the future is now our thriving present.

Please enjoy the 13th Annual Greater East Dallas Chamber of Commerce Economic Summit. Remember, this is YOUR Chamber of Commerce, so be sure to check out other exciting activities the Greater East Dallas Chamber has lined up for this year and for the future and get involved. If you are not a member, please join us. This is a growing and vital organization and we know you'll enjoy the great benefits that come with being a part of our Chamber's business community.

Thank you again for being here today!

Best Wishes,
